**Sangria**

*In the interest of sanity, I will continue providing drink recipes now that we have most of the candidates identified:*

**Ingredients:**

- 1 Bottle of red wine (Cabernet Sauvignon, Merlot, Rioja reds, Zinfandel, Shiraz)
- 1 Lemon cut into wedges
- 1 Orange cut into wedges
- 2 Tbsp sugar
- 1 Shot brandy
- 2 Cups ginger ale or club soda

**Preparation:**

Pour wine in the pitcher and squeeze the juice wedges from the lemon and orange into the wine. Toss in the fruit wedges (leaving out seeds if possible) and add sugar and brandy. Chill overnight. Add ginger ale or club soda just before serving. If you'd like to serve right away, use chilled red wine and serve over lots of ice.

**Addition ideas:** peaches, sliced strawberries, handful of fresh blueberries, raspberries, kiwi, a shot or two of gin, brandy or rum, a cup of ginger ale, citrus soda pop or lime juice.

Everything happens for a reason. Sometimes because you're stupid and make bad choices.

**Book Report**

Or maybe this should be a medical report. Got half way through this when I realized I had already read it. Checked my bookcase. Sure enough, I now have two copies. Tip: read his books in sequence.

Second book and better than Clancy; more action and tech you can understand. Author not only has the background, he knows how to build a plot and characters with believable dialogue. Dozens more!

Grandson Shane graduated from High School and is now at Parris Island, SC USMC boot camp. Love this picture his mom Susan took...notice the halo? It's a light fixture but this kid's personality calls for the halo! I'm sending snail mail to him. Maybe if all of us send snail mail his Drill Instructor might notice the size of Shane's "posse" and back off on the harassment? Here's the address:

How important is that (DI) Drill Instructor?

Mine was SGTMajor Joe Monteleone.

The fact that I remember his rank and name is testament to the effect he had on me...all good...

...but that won't stop me from perpetuating the interservice rivalry.

This is from the CDC. Notice how "Dr." Fauci has disappeared? And MN Governor Timmy has quietly lifted the ban (yes, he banned) hydroquiliwhatever that the Lame Stream Media banned because President Trump said it might be valuable in the battle. Had one gatekeeper at Sam's Club wave me though without a mask after he asked "medical?" I said yes...*allergic to political bullshit*. He nodded as he waved me through.

**Someone told me the Democrats had a convention and nominated Joe Biden to run against President Donald J. Trump.**

**Apparently Slow Joe's nomination was greeted with mixed reviews.**

*(Hang in there Bernie. Maybe the third time's the charm)?*

Sometime later this year, after the Democrats have searched every car trunk for ballots, we will find out how much damage the Lame Stream Media and Social Media have inflicted on the concept of the **United** States of America.
